DESCRIPTION

Villa for Rent with Pool in Begur

Spectacular Mediterranean-style house located in one of the most privileged areas of Begur. Set at the top of the village, it offers total privacy and breathtaking panoramic views of the sea, the Medes Islands, the valley, the Pyrenees and, of course, the village of Begur. The heart of the property is its spacious and bright living-dining room, open on three sides and directly connected to the porches, the flat garden, the private pool and the outdoor barbecue area: the perfect place to relax in the sun or enjoy evenings with family and friends. The independent kitchen is fully equipped and also features an additional dining area and direct access to the outside. The sleeping area offers a total of five double bedrooms, all of them with Air Conditioning: A large master suite with walk-in closet, bathroom with whirlpool bathtub and shower, plus a private terrace and an extra room ideal for families. Three additional double bedrooms, one of them en suite with terrace, and the other two sharing a bathroom with shower. For greater convenience, the house offers a large garage, perfect for cars, motorbikes or bicycles.
