Villa for sale with sea view in Begur

Just 1.5 km from the picturesque town of Begur and only about 4 km from the most beautiful beaches of the Costa Brava, such as Aiguablava, Sa Tuna, and Platja Fonda, lies this cozy house surrounded by nature and offering spectacular sea views. A perfect retreat for those seeking tranquility, privacy, and a connection to the natural environment without sacrificing proximity to the services and atmosphere of the town. The main house has four spacious and bright bedrooms and two full bathrooms, ideal for families as well as for those looking for versatile spaces for working or entertaining. The master bedroom, a suite, has a private bathroom and direct access to a terrace with open views of the sea and the Mediterranean forest that surrounds the house. The living area is organized around a cozy living-dining room, a traditional fireplace, and large windows that flood the space with natural light and allow you to enjoy the views from the inside. The fully equipped kitchen blends seamlessly into the surroundings, offering direct access to the outdoor terraces, ideal for al fresco dining or dinner under the stars. One of the highlights of this property is its separate guest area, with private access, a kitchen, a full bathroom, and a small living room. This space is perfect for comfortably hosting family or friends, or even as a separate studio or teleworking space. The house sits on a private 4,496 m² plot, surrounded by trees and native vegetation. The garden offers a large private pool and several quiet spots for relaxing, sunbathing, or reading in the shade of the pine trees. The south-facing outdoor terraces allow for all-day sunshine and panoramic views of the Mediterranean. A large parking area is available.
